

March 18th-April 29th

K-2 on Tuesdays from 3-4pm

Lockeland Elementary Winter Science Club!

Crazy Chemistry Theme

Get ready for a sizzling session of science at our Chemistry-themed Science Club! Young scientists-in-training are invited to join us for a quarter filled with exciting chemical reactions, bubbling potions, and explosions. Students will dive into the fascinating world of chemistry: mixing, measuring, and creating their own scientific wonders. From erupting volcanoes to making slime and discovering the secrets of the pH scale, our experienced instructors will ignite a passion for chemistry in every child. Don't miss out on a spring of hands-on learning, laughter, and exploration as we unlock the mysteries of the periodic table and have a blast!
